

You Jews Are Always Complaining of Your Own Suffering, But You Get Fat Off the Poor, Cheat the Simple, Exploit the Virgin, Pollute Where You've Exploited – America is One Big Jew!!

**Those are the anti-Semitic Words of an anti-Semitic Opera at the
New York Metropolitan Opera --
"The Death of Klinghoffer"**

They are spoken by a Palestinian Arab who shoots and throws overboard an aging, wheelchair bound, Jewish passenger, Leon Klinghoffer. The victim of this murder was not Israeli. His crime was simply in being a Jew. The anti-Semitic hate speech is not portrayed as coming from someone who is vile or depraved. If that was the context, it would be justified. The opera depicts this character as an idealistic victim of Jews, justified in striking back against his Jewish oppressors. He is a terrorist, yet the terrorists in the opera are portrayed as freedom fighters. In the language of the Palestinian terrorists:

"We are soldiers fighting a war. We are not criminals and we are not vandals but men of ideals."

Most important is your presence on the picket line. Large numbers of protesters will send the world a message. But even if you can't make it, send Peter Gelb, general manager of the Metropolitan Opera, a message at pgelb@metopera.org. Let him know what you think of supporting anti-Semitic propaganda masquerading as art.
